

J.K.  
PLACE  
PARIS

Your home away from home.

PARIS

# Your home away from home.

You'll find JK Place Paris on the "Rive Gauche" of the Seine, in an elegant former embassy building on the tree-lined Rue de Lille.

Here, in the storied 7eme Arrondissement, you're moments from the Musée d'Orsay and a jaunt from the Jardin des Tuileries.

# An exclusive use.

In many ways, JK place's historic  
palace is on its way to becoming a  
destination in itself.

An escape from the restrictions of a  
hotel or resort's daily routine,  
giving you the complete freedom to  
do what you want, when you want.

# Like a museum of grand treasures,

you'll discover the secrets of one of  
Italy's classiest collector's house in Paris.

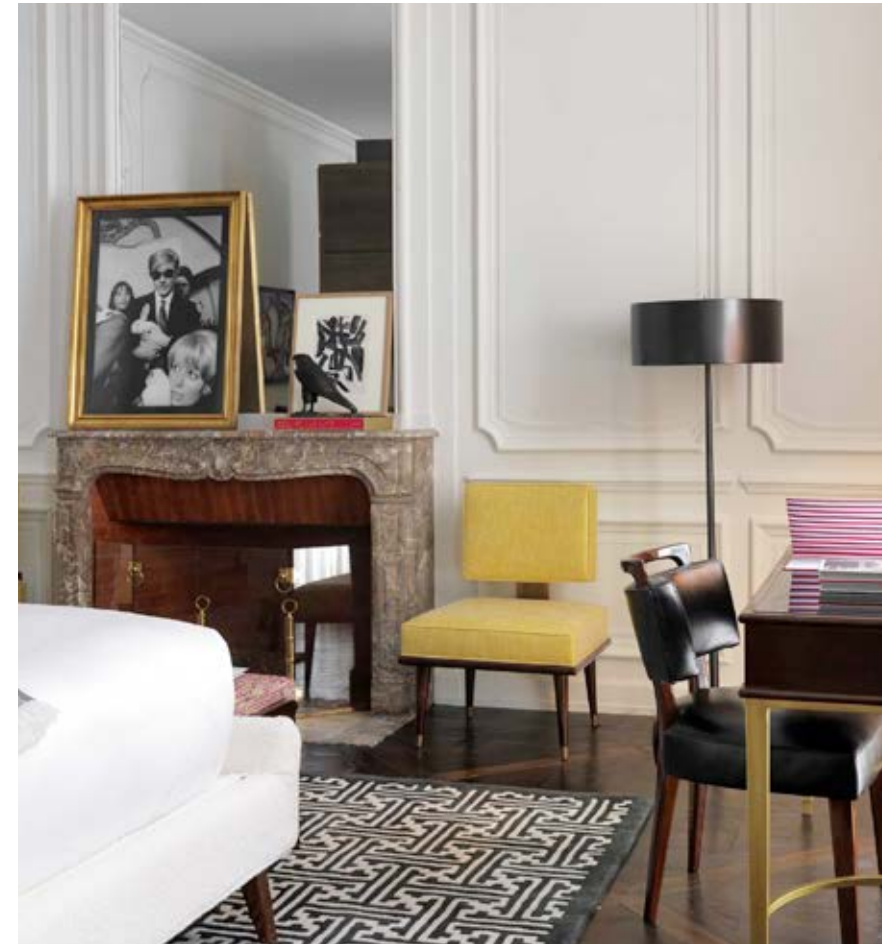

Imagine a luxury home with its own swimming pool and private spaces, combined with a full team of staff to cater for your every whim, the finest gourmet cuisine and, possibly, even your very own private spa.

You'll enjoy a high level of privacy, without compromising on the standards and quality you'd find in a luxury , no dress codes or fixed meal times – all complemented by the very best home comforts.

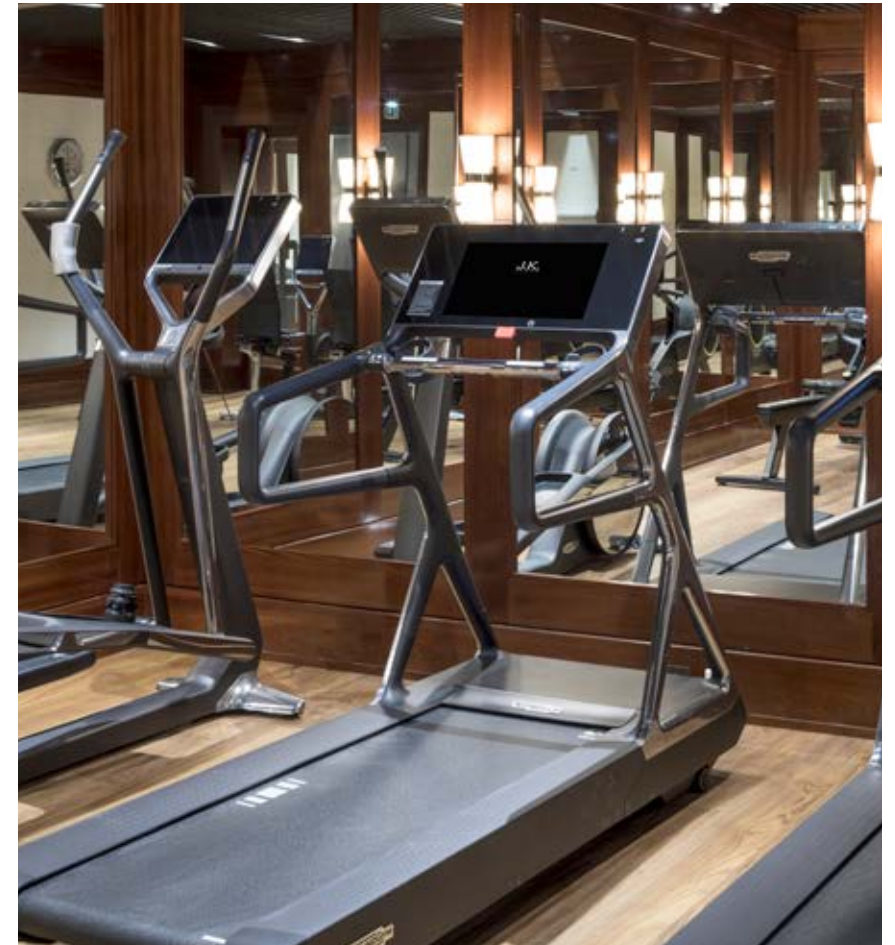

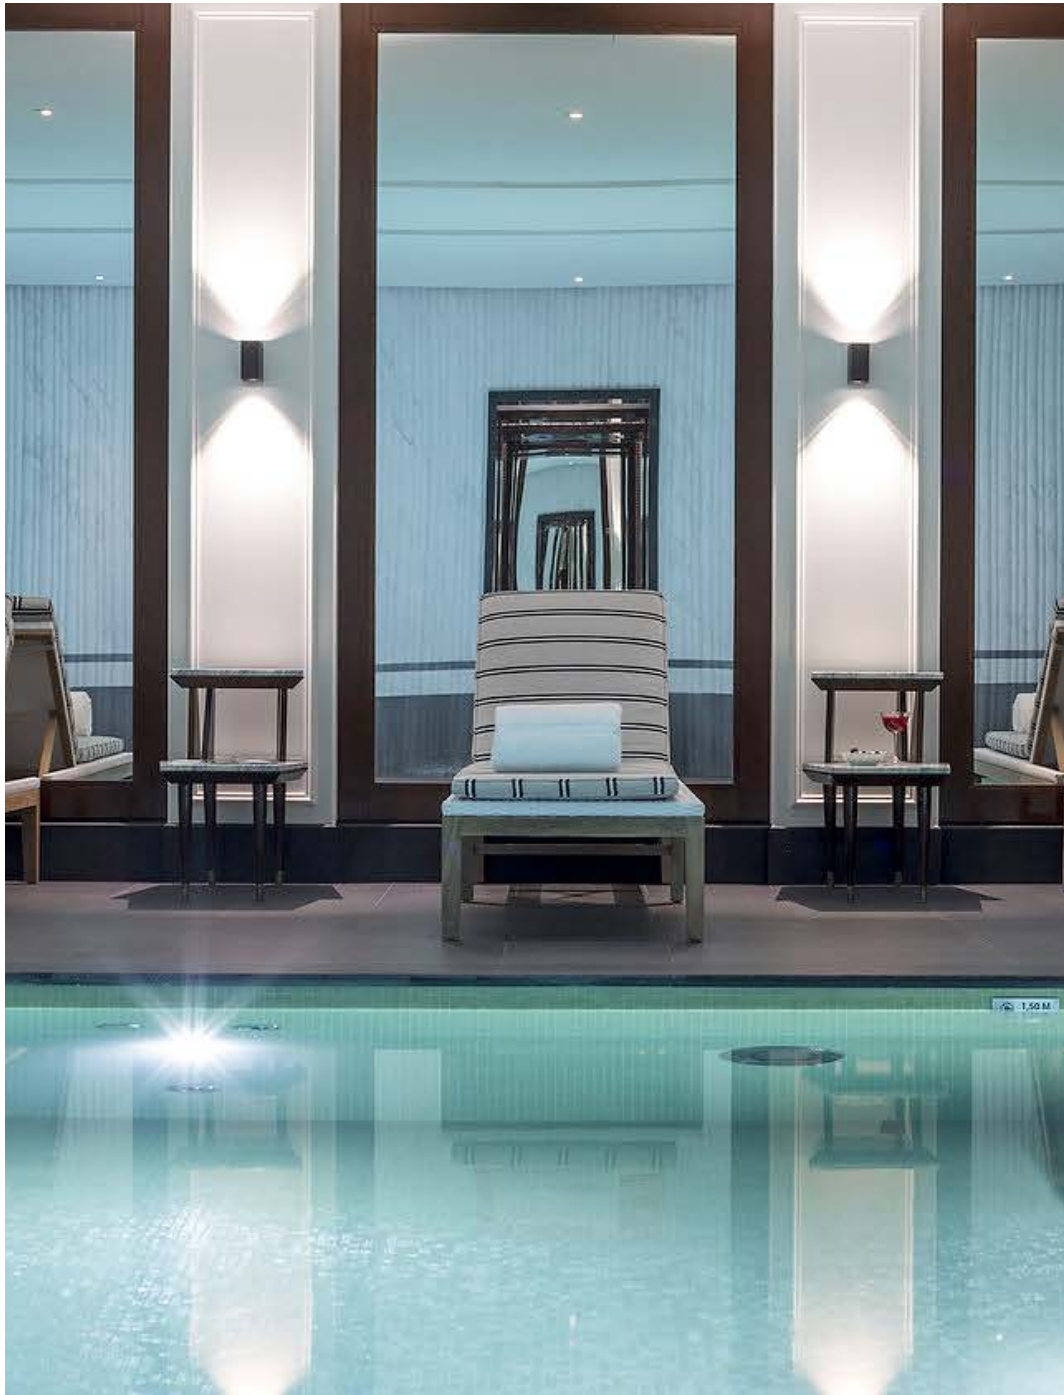

29 individually designed rooms  
and on request we can create.

- Your personal office

# Hotel details

Here is the very first international opening of the understated luxury Italian boutique hotel brand known for its extremely personalized service. Located strategically in the residential and unique Rive Gauche next to the Musée d'Orsay, this urban retreat features Casa Tua Restaurant, which also has locations in Miami Beach and Aspen; the Lounge Bar; a Sisley Signature Spa; and an indoor pool, a sauna, a steam room, and a fully-equipped Technogym fitness room. Architect Michele Bonan has masterfully designed every detail of this Italian/Parisian home, replicating the unique timeless décor of the already world famous J.K.Places in Rome and Capri.
