

CHALET RENTAL WITH SERVICES

BEGINNING THIS WINTER, LES FERMES DE MARIE WILL BE OFFERING A NEW COLLECTION OF CHALETs WITH 5-STAR HOTEL SERVICES AND A CONCIERGE SERVICE.

Imagine waking up with a breathtaking view of the mountains in your dream chalet... Quickly slip on your fur-lined slippers and head to the breakfast table set with local ham, matured cheese, brioche and pastries. The teams at Les Fermes de Marie have prepared everything. Now ready to hit the slopes, visit your chalet's ski room and meet our ski

man, who has the latest cutting-edge skis for you to try out. After a day out slaloming, it's back to the chalet for afternoon tea served on the covered terrace, unless you prefer to sample your hot chocolate served with a delicious lemon cake snuggled up on the sofa in front of the crackling open fire.

To relax after an adventure-packed day out, call upon one of our nimble-fingered masseurs for a Skier's Massage or Alpine Energy Ritual, signature treatments by Pure Altitude, the in-house skin care brand containing mountain plants, or head to Les Fermes de Marie's Pure Altitude Spa to make use of the facilities: gym, jacuzzi, sauna, pool, lap pool...

When evening comes, put your feet under your dining room table while

our chef takes care of everything. Just like at Les Fermes de Marie, enjoy traditional, bourgeois mountain cuisine. Choose from braised shoulder of beef, rissoles with Savoie cardoons and black truffle, or opt for the iconic mini macaroni with truffles, Saucget ham and Beaufort cream, unless you give into temptation and go for Maître Boujon's cheese fondue. Your sole mission for the evening will be to select a few grands crus for your guests from your wine cellar, stocked to suit your taste by our sommelier. And for your festive evening meals, all of our restaurants in the centre of Megève await you: try our cheese specialities at the Restaurant Alpin, sample the finest meats at the Beef Lodge or get together for some traditional fare at Les Enfants Terribles.

LES FERMES DE MARIE'S EXPERTISE

For over 25 years, in addition to its hotel guest rooms and suites, Les Fermes de Marie has two exclusive properties for rent with hotel services, Chalet des Fermes and Chalet Chatel. To celebrate its 30th anniversary and to offer a wider choice for Sibuet customers looking for high-end properties, Les Fermes de Marie has selected some of the most beautiful chalets in Megève and the surrounding area, each one a blend of luxury and authenticity. During the summer or winter seasons, rent one of the properties from the "Chalet des Fermes" collection and enjoy high-end services.

Les fermes de Marie

FOR LES FERMES DE MARIE'S 30TH ANNIVERSARY, IZIPIZI PRESENTS AN EXCLUSIVE VERSION OF ITS SUN GLACIER PLUS SUNGLASSES!

Having been a partner and friend of this exceptional address for many years, IZIPIZI wanted to take part in the celebrations with an updated version of its iconic mountain sunglasses.

This version sports new colours that are a reminder of their friendship and shared values of lifestyle and family. The chestnut brown frame recalls the place's welcoming, woody atmosphere. The brown lenses with a hint of gold are a lovely nod to the flames that dance daily in the fireplace. And the chamois-skin look case evokes the soft animal skins, so lovely to snuggle up in while at this hotel where each moment is indulged in and shared. This limited edition model, the first collaboration in Les Fermes de Marie's 30th anniversary collection, will be available in all IZIPIZI stores and on izipizi.com, plus at Les Fermes de Marie from 8 December 2019.
