## Hotel Splendide Royal, Paris

SETTLED IN A *townhouse* DATING FROM 1897, THIS 'POCKET PALACE' IS A RAFFINATE *balance of* ITALIAN WAY OF LIFE *and french* REFINEMENT

The Elysée Suite bedroom

### THE LOWDOWN

Twelve suites (two per floor spread over six levels): this 'Maison parisienne', member of Roberto Naldi Collection and Relais & Châteaux, is like her Roma and Lugano older sisters – an elegant and cosy five stars palace, one that has been welcoming guests looking for discretion and close personal services since 2016. Situated in a residential street behind the Champs-Élysées and near the Élysées Palace (you're as protected as President Emmanuel Macron!) and rue du Faubourg Saint-Honoré, Hotel Splendide Royal is the

ideal location for luxury shoppers. Tired of visiting close by museums and fashion boutiques? Just enjoy the calm of your suite, decorated in a classic style, redesigned with subtle Italian touches: silk and taffeta trimmings, elegant refined furnishings and beautifully selected artwork. A bath in the large marbled bathroom will leave you relaxed and ready to enjoy the rest of the splendours this haven of peace in the heart of Paris has to offer.

### GOOD EATS

The other plus of this 'private home'? Italianità, a delicious Italian restaurant-cum-bistro run by new Neapolitan Chef, Raffaele De Mase, who serves up hearty dishes, from fresh pasta to the creamiest of risottos, all cooked with farm-to-table ingredients imported straight from the heart of Italy.
