**L'OASIS SPA BY CARITA AT CANNES' HÔTEL MARTINEZ:
WHERE WELLBEING REIGNS SUPREME**

Cannes: January 30, 2024: As the new year begins, take time to restore your inner balance, recharge your batteries, and enjoy a unique sensory experience amid lush vegetation at **L'Oasis Spa by Carita at the Hôtel Martinez.**

Designed in the spirit of a botanical garden by Pierre-Yves Rochon, now completely renovated and spanning more than 30,000 square feet, this peaceful, verdant oasis offers every possible activity to help you relax, restore, and revive body, mind, and spirit, be it on a daytime break or during a hotel stay. The natural elements of this tranquil setting surround guests in an ambiance of wellbeing thanks to the two gardens: the Jardin d'Ombre, a shady space dotted with tree ferns, banana trees, and other luxuriant greenery, and the Jardin de Lumière, a light-drenched area featuring Mediterranean flora. At the center is L'Oasis Spa by Carita, a luminous, 6,460-square-foot facility that offers a life-giving retreat.

Choose from innovative and personalized treatments, youth-restoring face and body care that

incorporates the latest advances in cosmetology. All are founded on protocols that dovetail effectiveness with sensory pleasure, so you can treat yourself to a truly exceptional moment of personal pampering.

L'Oasis Spa by Carita features a hairdressing salon, a barber, a hammam, and seven treatment cabins, two for duo treatments. One has a salt wall for sensory stimulation and the relaxing benefits of halotherapy. The experiences come in varied chromatic ambiences, with mosaic colors specific to each cabin: shades of blue for the hammam, pastels for the treatment spaces, gold and mother-of-pearl tints for the VIP rooms. And everyone can enjoy their treatment benefits even longer with either a moment of peace and quiet in the relaxation area or some physical exercise in the fitness facilities.

L'Oasis Gym – a glass-enclosed, 2,200-square-foot space looking out onto the gardens and swimming pool – gives you the soothing feeling of working out in the great, leafy outdoors. It has cutting-edge equipment renowned for its high-quality ergonomic design, the Artisline from the maker Technogym: treadmills, elliptical bikes, Ride bikes, weight-training and functional-training stations, Pilates machines, and more, for a wide variety of exercises suited to all abilities and every objective.

A place for soothing body and soul, for special sensations, for revitalizing fitness, and for all the pleasures of wellbeing.

About Hôtel Martinez

A gripping history since its opening during the Roaring Twenties, a breathtaking Art Deco architecture, an unparalleled location on the Croisette of Cannes... Welcome to Hôtel Martinez, the icon of luxury hotels on the French Riviera – 410 rooms and suites - part of The Unbound Collection by Hyatt! Overlooking the deep blue Mediterranean Sea, you will wake up to a superb breakfast in one of our spacious suites or bedrooms renovated by interior architect Pierre-Yves Rochon. A luxuriant and tranquil garden, L'Oasis Spa du Martinez has opened last year on the city side of the hôtel: after a swim in the signature deep blue swimming-pool and a refreshing fruit juice, entrust yourself to the hands of Carita experts for one of their personalized treatments. Let's now head to La Plage du Martinez to admire the view of the emblematic light-drenched pontoon from one of our mythical directors' chairs, a nod to the world of cinema recently imagined by designer Rémi Tessier. And now, rendez-vous at Le Sud to share delicious and friendly moments at the new Lobby Bar & Restaurant, a versatile and open place and Hôtel Martinez beating heart, day and night. Last, but not least, La Palme d'Or restaurant is being renovated and will reopen in 2024 under Chef Jean Imbert aegis. As new Head Chef, he is bringing his imaginative and inimitable touch to the Hotel's cuisines.

The hotel also boasts 12 versatile meeting rooms- 2500sqm including the main ballroom 'Le Festival' equipped with '360 Mapping' technology offering numerous possibilities for organizing conventions, seminars and events in any season.

More than ever, Hôtel Martinez is reinventing itself as an unmissable landmark of the French Riviera.
