Let us open the door as you open your eyes
To new perspectives on this city.
To unexpected encounters and hours with long time friends.
The life of the city flows through here, from the Seine to your suite.
The light of the city shines through every window, reflecting the Art de Vivre.
The rhythm of the city goes along with yours, whether it is tranquility or vitality.
The dreams of the city sleep with yours, waking you up to another dawn.

Let us take you to the heart of Paris.
To a Maison where generosity comes from the heart.
